POSTDOCTORAL FELLOWSHIP in the Department of Biostatistics at the University of California at Los Angeles

The Department of Biostatistics at the University of California, Los Angeles, invites applications for a one-year post-doctoral researcher position in Biostatistics. The postdoc researcher is expected to undertake high level methodological research in Biostatistics and to collaborate with faculty in the Jonathan and Karin Fielding School of Public Health and David Geffen School of Medicine. Strong programming skills in R and C/C++ are required. Candidates should have a Ph.D. degree in statistics, biostatistics, or a related discipline. Position will remain open until filled.

To apply, please send a research statement, CV, and three letters of recommendation to Professor Gang Li (biostat@ucla.edu), or mail to:

Professor Gang Li  
Department of Biostatistics  
School of Public Health
